SUBJECT :

NBC "MONITOR" 11:55 A. M.

REFERENCE TO DIRECTOR'S STATEMENT RE MARTIN LUTHER KING.

Well-known cartoonist, Al Capp (Li'l Abner), was heard on NBC "Monitor" during a brief "comment" session at which he remarked in his typical sarcastic manner of the exchange between the Director and Martin Luther King.

Capp remarked that the Director called King a liar and King blasted back suggesting the Director was "soft in the head."

Capp stated this was an argument between two kings, one the king of the underprivileged, and the other the king of true Americans. Capp then concluded by saying he thought this was a healthy sign in that Americans appear now able to speak out in plain terms and are not afraid of criticizing prominent individuals.

Capp, of course, is well known for his reputation for "needling" and ridiculing prominent people, institutions, etc.

SUBJECT: COMMUNIST INFLUENCE IN RACIAL MATTERS
INTERNAL SECURITY - C

1 - Mr. Rosack
b7(c)

We previously received information indicating that one Theodore Brown had been in contact with Dora McDonald, Secretary to Martin Luther King, Jr., at which time Brown discussed proposals to be sent to the President, the exact nature of which are unknown. Theodore Brown has made derogatory statements concerning the Director in connection with the Director's recent statement regarding King. The New York Office has advised that Theodore Brown is probably identical to Theodore E. Brown who has been associated with the Negro American Labor Council (NALC) for a number of years.

Theodore E. Brown was in the past Assistant Director, Civil Rights Department, American Federation of Labor-Congress of Industrial Organizations, and was dismissed from this position for allegedly misappropriating \$1,600. These funds were involved in an unlimited expense account utilized by Brown and which he used for the purchasing of transportation to various parts of the country which travel had not been authorized. This dismissal occurred in May 1961. Brown has also served as National Secretary of the NALC. In November, 1961, Brown was opposed for the position as National Executive Secretary of the NALC by the Communist Party caucus members of the NALC. This opposition by the Party was based on the fact that Brown "was a non-Party person."

In November, 1962, William Patterson of the Communist Party National Office advised members of the Communist Party caucus of the NALC that they should work toward the election of a new National Secretary to replace Brown and with the election of another individual, Brown resigned.

NOT RECORDED

In May, 1964, Brown was described as Director of the American Negro Leadership Conference on Africa (ANLCA). The ANLCA in November, 1962, met in New York for the purpose of furnishing aid to the newly independent African states. This meeting was called by civil rights leaders Roy Wilkins, Martin Luther King, Jr., James Farmer and others and the conference was under the direction of Theodore E. Brown.

Acting Attorney General Nicholas deB. Katzenbach returned my earlier call to him and I advised him that I had seen Dr. Martin Luther King, who was accompanied by Dr. Abernathy and two other cohorts. I stated that King was a very persuasive speaker and Mr. Katzenbach indicated King was a great public speaker and that was about all he could say for King.

I advised Mr. Katzenbach that I took the ball away from King at the beginning, that King was most laudatory about the Bureau's work and so was Abernathy. I further advised Mr. Katzenbach that King had a press statement already written out to hand the newsmen in my reception room; that I refused to make any comment or statement myself; that King read his statement about having an open channel of communications and all working for civil rights. I stated that King did not have in his press statement the very commendatory remarks he made, that he could not have been higher in his praise of the Bureau and of the great job we have done in the South. Mr. Katzenbach said that was too bad.

I told Mr. Katzenbach that I just wanted him to know that I had gone through with it.

Mr. Katzenbach then asked if I were going to tell the President about the situation in Mississippi - about the arrests - at some point. I answered yes, and Mr. Katzenbach said the President should be informed. I advised him that we had not decided when it will be done, that it is being considered.

Mr. Katzenbach stated my people had discussed it with him, and he thought the way the Bureau proposes to go ahead is the right way. I said I thought so, too. Mr. Katzenbach said he had told Jim Malley this and suggested that I tell the President that the Department had approved this way. Mr. Katzenbach stated it was such a great job the Bureau people did down there he would like the President to hear it from me.

Senator Hubert Hurns
 Vice-President Elect
 Senate Office Bldg.,
 Washington, D. C.

COPY

Dear Senators:

The State of KANSAS voted Democratic "in spite of" rather than "because of" your civil rights views. The "so called" Civil Rights Law is the beginning of a POLICE STATE. Note attached clipping. One would have never believed that it could happen here! We are alarmed!

Also, you will note the clipping concerning the Rev. Martin Luther King. His statements made in the article are far from the truth as one can see. He deals in wishful thinking rather than facts. The people WILL NOT TOLERATE these demonstrations! Please be advised of this fact!

The Negro is not free because he signs a ballot- and is told for whom to vote by the Rev. King, Roy Wilkins or other negro leaders; he will only be free when he signs that ballot and is intelligent enough to make up his own mind. The Rev. King and his Rabble-Rousers should try to elevate the negro into wanting to accept his rightful place among society rather than to appeal to his animal-like nature to demonstrate and cause violence. Rev. King should also try to create within his negro followers a desire to help themselves. The negro should receive instructions on limiting his families so that he will not continue to be a large burden on the people who are willing to work hard enough to take care of their own responsibilities. The negro female population should be taught to establish a home before bringing fatherless children into the world on public relief. He has a long way to go and it is time that he get started. Violent demonstrations is not the way; people should be jailed for causing these damming criminal acts with their leaders including the Rev. Martin Luther King.

REC-23 104-106640-561

You CAN NOT legislate civil equality- it must be earned! With EQUALITY comes CIVIL RESPONSIBILITY. The two can not be separated. The Government owes NO ONE a living. The Government is the People! It is YOU-it is ME. The Government has no monies of it's own-it's monies is from the people. The right of the people to NOT ASSOCIATE cannot be taken from them and have a free society. FORCED association is a "police state!" We hope that you will work for just laws which will be fair to all rather than to a chosen few of the negro race. Only the ignorant will play politics with the explosive negro situation.

Very sincerely, b7(c)

Not 1 peace prize winner's name is surprise to South

The new winner of the famed Nobel Peace prize is not unknown in Alabama.

In some ways the announcement that Martin Luther King had been awarded the prize for peace exploded over the Deep South with almost as much noise as the dynamite given the world by Alfred Bernard Nobel himself.

There are parts of the world where Martin Luther King is regarded as a hero—and there are wide segments of Americans who think of the militant Negro leader as a kind of political messiah for his people. That this feeling is not shared by most of the white people of Alabama and Mississippi and some other places is beside the point. Martin Luther King has made himself a leader among his people—and no amount of argument can take that away from him.

But in this part of the country where Martin Luther King turned a pulpit into a loud voice for what he calls racial advances and where "non-violent demonstrations" caused so much difficulty, bitterness and division an international prize for the promotion of peace comes with ironic surprise.

History will record the sum total worth of Martin Luther King's contribution to the cause of his people.

But in his day and time Martin Luther King has brought little peace to the communities that know him best.

It missed the mark

ALFRED BERNARD NOBEL, a Swedish chemist and engineer who helped develop dynamite and higher explosives, including smokeless gunpowder, saw his findings turned to help mankind blow itself up. Perhaps a guilty conscience partly motivated his establishment of the famous Nobel prizes, one for physics, one for chemistry, one for physiology or medicine, one for literature and one for the promotion of world peace.

The Nobel committeeman designated to nominate the winner of the peace prize was appointed by the Norwegian parliament. And obviously the committee feels it has some information about King's contribution to world peace that are not available this close to his home.

When Ralph Bunche, America's top Negro in public service, received the prize in 1950 it could be better understood. He performed some distinguished services.

Martin Luther King certainly might be honored by some international organizations who have a high regard for his crusades. He has reached many ears and is easily the foremost leader of the civil rights cause in his country.

But the Nobel Prize for Peace was established to help prevent wars and to help end strife.

This year the prize missed its mark.

Dear [REDACTED]

Your letter of November 25th has been received.

With respect to your inquiry, information contained in the files of the FBI must be maintained as confidential in accordance with regulations of the Department of Justice and is available for official use only. Therefore, I trust you will understand why I am not in a position to comment along the lines you have suggested.

With regard to Karl Prussion, he assisted this Bureau by furnishing information on subversive activities from November, 1949, to July, 1958, during which time he was compensated; however, he was not a Special Agent. His personal ventures, his opinions and comments are strictly his own and the FBI is not in a position to comment on these in any way whatsoever.

Enclosed is some literature I trust will be of interest.

Sincerely yours,

Reference is made to memorandum Brennan to Sullivan in captioned matter dated 11-23-64, wherein it was set forth that the Bureau had no objection to State Department briefing the United States Information Agency from material previously furnished State regarding King, including information concerning King [REDACTED]

b7(c) Mr. Paul J. McNichol, Director of Security, USIA, advised Liaison 11-23-64, that he had, on that date, been briefed by [REDACTED] Office of Security, State, regarding King. In this connection, he stated that he desired to make a most urgent request that he be furnished the material in possession of State and any related material available regarding King. Mr. McNichol explained that currently top officials of USIA, namely Assistant Directors, have under consideration an approach to King for the purpose of "enticing" him to accept a State Department grant under USIA sponsorship for travel to Europe, Africa and the near East, such a trip to take place in early December. McNichol emphasized that he desires this material so that USIA officials can be adequately briefed for the purpose of preventing any such assignment being offered to King by USIA. REC-55

On being apprised of the above, Assistant to the Director Belmont authorized the dissemination of reports and memoranda as described above to USIA.

b7C) On the late afternoon of 11/19/64, Security Supervisor [redacted] of our New York Office called to advise of a statement which had appeared in the 11/19/64 issue of the "New York World Telegram and Sun" newspaper. The statement follows:

"Paul Zuber, a New York lawyer prominent in civil rights cases, said, 'Hoover's remark (concerning Martin Luther King) was a libelous statement,' adding: 'I think it is up to the President to order him to give more facts. If he refuses, then I think the President will be left no other choice but to remove him.'"

Marchessault said that in view of Zuber's close connection with civil rights cases, he has been contacted in the past by the New York Office and from time to time has furnished information to us. Marchessault said he was being considered as a possible source in racial matters. He added that, of course, no further consideration will be given to Zuber as a source and that he will not be contacted further for information.

A discussion was had at the Seat of Government as to whether anything of value would be accomplished by talking with Zuber. It was decided that if Zuber is the proper type of person it might be that we could give him enough facts to convince him that he did not know what he was talking about when he made his statement to the press and that King is, in fact, a notorious liar. In order to determine whether this course of action would be feasible, the New York Office was asked for its comments. The New York Office subsequently advised that after a thorough consideration of all factors, it strongly recommended against trying to do anything with Zuber. It was pointed out that Zuber, in making his statement, obviously was courting his Negro clients. His entire

On 11/25/64, [REDACTED] College Park, Md., advised SA [REDACTED] that she had received some church literature on 11/20/64, from Rev. JAMES DEES, Statesville, No. Carolina, who is forming a new church, THE ANGLICAN ORTHODOX CHURCH OF NORTH AMERICA. [REDACTED] stated that this was formerly the Episcopal Church. Included in this literature was an affidavit signed by KARL PRUSSION and [REDACTED] indicated that in this affidavit PRUSSION stated he had attended five Communist Party meetings at Santa Clara, Calif., at the residence of MARY FIELD. Continuing, this affidavit PRUSSION stated that KING was spoken of at these meetings as an individual who could be supported and rallied around in the communist struggle for racial equality.

[REDACTED] advised that she would send this affidavit to the FBI, but when it arrived on 11/30/64, only the lower section of the affidavit remained. [REDACTED] explained that she had only sent this section because the other section had also contained some church information that she did not want distributed. [REDACTED] telephonically advised on 11/30/64, that she was very apprehensive about getting Rev. DEES into trouble and that she had destroyed the remainder of the material. b7(c)

Dr. King declared that if the problem of human rights is to be solved in our time, the Church must take the primary responsibility in solving it. "Eleven o'clock Sunday morning is still the most segregated hour of the week—and the most segregated school in the land is the Sunday school." Restating his belief in non-violence as the most potent weapon to put into the hands of the oppressed in the struggle for human rights and dignity, Dr. King reminded the churchmen that it is "A way as old as the insights of our Lord and Master and as new as those of Gandhi."

The 61st General Convention sent its official greetings to Pope Paul VI, and to the Second Vatican Council now meeting in Rome. The message, which was elaborately inscribed on vellum and mounted in a leather binding, was signed by the Presiding Bishop and the President of the House of Deputies.

SOUTHERN CONFERENCE FOR HUMAN WELFARE

Cited as a Communist-front organization "which seeks to attract southern liberals on the basis of its seeming interest in the problems of the South" although its "professed interest in southern welfare is simply an expedient for larger aims serving the Soviet Union and its subservient Communist Party in the United States."

WINGDALE LODGE

"The Committee is convinced that Wingdale Lodge (incorpo-

unist lawbreakers, fronts have been devised making special appeals in behalf of civil liberties and reaching out far beyond the confines of the Communist Party itself. Among these organizations are the . . . Emergency Civil Liberties Committee. When the Communist Party itself is under fire these fronts offer a bulwark of protection."

ABRAHAM LINCOLN SCHOOL

"Schools under patriotic and benevolent titles indoctrinate Communists and outsiders in the theory and practice of communism, train organizers and operatives, recruit new party members and sympathizers . . . A school of this type has been the Abraham Lincoln School, Chicago . . ."

AMERICAN PEACE MOBILIZATION

Cited as "one of the most seditious organizations which ever operated in the United States" and "instrument of the Communist Party here prior to Hitler's attack on Russia."

AMERICAN YOUTH FOR DEMOCRACY

Cited as the new name under which the Young Communist League operates and which also largely absorbed the American Youth Congress.

COMMITTEE FOR PEACEFUL ALTERNATIVES TO THE ATLANTIC PACT

"As part of Soviet psychological warfare against the United States, Communist fronts seek to paralyze America's will to resist Communist aggression by idealizing Russia's aims and methods, discrediting the United States, spreading defeatism and demoralization . . . Specializing in this field . . . have been such organizations as . . . the Committee for Peaceful Alternatives to the Atlantic Pact . . ."

COUNCIL ON AFRICAN AFFAIRS

NAACP Approval, Support, Participation

Reverend Martin Luther King, Rosa Parks, Charles C. Gamble, Reverend David Brooks, Allen M. Swain, Conrad Browne and others who attended this session at Highlander Folk School provided major leadership in the following incidents of interracial strife: (1) C. Montgomery Bus Boycott; (2) to Tuskegee Boycott; (3) the Tallahassee Bus Boycott; (4) the Clinton School Incident; (5) KKKoers Farms Inter-racial Violence at the March on Washington.

Each of the above-listed persons and incidents has received the national acclaim and complete support of the National Association for Advancement of Colored People. In fact, these incidents and the operation of these individuals have provided a major portion of the active program of the NAACP.

Those who conducted this last day session at Highlander inspired their lectures and discussions with appeals to those present to secure new memberships for the NAACP and especially urged the teachers join and support the NAACP.

The unqualified support by the NAACP of the above-named individuals and incidents must be viewed in light of the fact that ten of the directors including Benjamin E. Mays, President, Morehouse College, Atlanta, Georgia, has amassed the surprising total of over 400 instances of Communist Front Affiliation; more than half the directors have public records of Communist Affiliation. The directors of the NAACP both present and past have continually demonstrated an amazing propensity for affiliating themselves with pro-Communist causes.

The Honorary Chairman of the Directors of the NAACP, W. E. DuBois has amassed a longer public record of Communist affiliations than any other person in the United States with the staggering total of literally hundreds of affiliations.

THE FOUNDERS OF HIGHLANDER SCHOOL

HIGHLANDER FOLK SCHOOL was founded in 1932 by Myles Horton and Don West. James Dombrowski joined them shortly thereafter. Don West, presently operating in Georgia, was district director of the Communist Party of North Carolina.

Paul Crouch, the top Communist Party functionary in the South, testified before the Subcommittee of the Committee on Un-American Activities that Dombrowski "gave me the impression of being completely pro-Communist and anxious to collaborate with the Communist Party and follow its leadership without taking the risk of actual Party membership."

John Butler, another former Communist Party functionary testified before the Senate Subcommittee on Internal Security that Dombrowski at a meeting of Communist Party leaders in Dombrowski's room in the Thomas Jefferson Hotel in Birmingham, Alabama, was introduced to him by Alton Lawrence as a Communist Party member.

Myles Horton was identified by the Dies Committee on Un-American Activities as a person who "has been active in the Communist Party of the United States."

Paul Crouch testified before the Senate Subcommittee on Internal Security that "The Highlander Folk School is a school operated at Monteagle, Tennessee, ostensibly as an independent labor school, but actually working in close cooperation with the Communist Party."

HIGHLANDER EXECUTIVES

The following is a listing of the executives of Highlander Folk School as it appeared in their 24th annual report of October 30, 1956:

FRED ROUTH, a headquarters official of Southern Regional Council, 63 Auburn Ave., N. E., Atlanta, Georgia, is pictured above leading a workshop. In at least one of these sessions, the tactics of including women and children in racial demonstrations and incidents was propagated on the basis that police are reluctant to shoot women and children.

Southern Regional Council is the recipient of Ford Fund for the Republic grants of \$497,000.00. Fund for the Republic grants originated with the Ford Motor Company. Southern Regional Council is the parent organization of 12 state-wide Councils on Human Relations operating only in the Southern States.

Southern Regional Council has been able to exploit the fact that it is a grant and education institute of a business group which offered an extensive list of state in a long period of time. The acceptance of the grant by the Communist Party adoption was a step of Communist infiltration which exceed those of present and past directors of Southern Regional Council.

Cited as an organization formed at a Congress on Civil Rights held in Detroit in April 1946 as a merger of two other Communist-front organizations (International Labor Defense and the National Federation for Constitutional Liberties), it was "dedicated not to the broader issues of civil liberties, but specifically to the defense of individual Communists and the Communist Party" and "controlled by individuals who are either members of the Communist Party or openly loyal to it."

"With an eye to religious groups, the Communists have formed religious fronts such as the Methodist Federation for Social Action . . ."

"One of the Communist fronts currently active in seeking to deceive American Negroes into serving the Communist cause is the National Negro Labor Council. The organization was formally founded at a conference held in Cincinnati, Ohio, October 27 and 28, 1951, under the direction of leading Negro Communists in the United States, such as Abner Berry, Sam W. Parks, and Coleman A. Young. According to the latest available information, Young is the present National executive secretary of the organization, from which post he controls and directs NNLC activities. . . . LABOR DAY WEEKEND, 1957

During Labor Day Weekend, 1957, there assembled at Highlander the leaders of every major race incident in the South, prior to that time since the Supreme Court decision. This meeting was directed by Reverend John B. Thompson, chaplain, University of Chicago. Reverend Thompson has a lengthy record of Communist affiliations which appears elsewhere in this folder. The direction of the entire school was under the leadership, as usual, of Miss Horton.

There were representative leaders of the following incidents: ALABAMA - CIVIL RIGHTS - THE BIRMINGHAM SCHOOL TEACHERS INCIDENT, the MONTGOMERY, ALABAMA - B.U.S. BOYCOTT, the SOUTH CAROLINA - NAACP SCHOOL TEACHERS INCIDENT, the KLOINOMIA INTER-RACIAL FARM - AMERICA'S, GEORGIA, and CLINTON, TENNESSEE, SCHOOL INCIDENT among others.

They met at this workshop and discussed methods and tactics of precipitating racial strife and disturbance.

The meeting of such a large group of specialists in inter-racial strife under the auspices of a Communist Training School, and in the company of many known Communists is the typical method whereby leadership training and tactics are furnished to the agitators. This was a general workshop and would be the most common method of developing a long range program.

In specific emergency situations, leadership would be sent into the communities to assist.

Good examples of the infusion of leadership was the appearance of Bayard Rustin, who appeared in the Daily Worker, as secretary to Rev. Martin Luther King. The appearance of Hon. West, prominent Communist functionary at Koinonia Farm disturbances and the preliminary surveys conducted by John Hope, II, preparatory to the Tallahassee bus boycott.

EDITORIAL COMMENT

On the preceding pages you have seen pictures of leaders of every major race incident in the South from 1954 until the time of this meeting, Labor Day, 1955 (August 30, 31 and September 1, 2). You have seen pictures of many organizations active in the Southern region of the United States. All of these pictures were taken during this one week at this Communist training school, Highlander Folk School, Monteagle, Tennessee.

Names of the national figures are easily identified by their pictures. Other names of lesser figures are those to the photographer in introductions and self identification.

It has been our purpose, as rapidly as possible, to identify the leaders and participants of this Communist training school and disseminate this information to the general public. This Commission would appreciate your forwarding to us any further identifications you can make.

It behooves each of us to learn more of Communism, its infiltration and the direction of Communist movements, through information and knowledge can we combat this alien menace to Constitutional government.

All or any part of this folder may be reproduced by any person or organization with or without credit being given to this Commission.

Records of Don West, John B. Thompson James Dombrowski, Aubrey Williams

Listed below are the records of Communist Affiliations of four of the leaders of Highlander Folk School.

JAMES DOMBROWSKI
JOHN B. THOMPSON
DON WEST
AUBREY WILLIAMS

Each of these four men was prominent in the establishment of Highlander Folk School as in its subsequent operation.

LISTED ELSEWHERE in this folder are the Communist related records of Reverend John B. Thompson (seated), chaplain University of Chicago and chairman of this four day seminar and Aubrey Williams, Montgomery, Alabama, president Southern Conference Education Fund, Inc. and publisher, *Southern Farm and Home Magazine*.

Experts on Communism observe the record of Aubrey Williams to reflect anti-US foreign policy and anti-US domestic policy. As early as 1944 a report of the Committee of which Congressman Dies was chairman named Aubrey Williams as a member of the National Citizens Political Action Committee and cited that organization as "the supreme bid of the Communist Party for power in the United States through a front."

Few people if any have aided the Communist Party more in its conspiracy against peace between the races in the southern part of the United States than did Aubrey Williams.

It is incredible that any man with a record of Communist affiliation like that of John B. Thompson could long remain as chaplain or pastor to students in a non-Communist institution.

On the first row are Reverend Martin Luther King (2nd from right) of the Montgomery Boycott, Aubrey Williams (3rd from right) president of the Southern Conference Education Fund Inc. and Myles Horton (4th from Right) the director of Highlander Folk School. These "four horsemen" of racial agitation have been the tension, disturbance, strife and violence in their advancement of the Communist doctrine of "Negro nationalism".

REVEREND MARTIN LUTHER KING addresses the assemblage. Reverend King, president of the Southern Christian Leadership Conference is best known for his activities in the Montgomery Boycott, Montgomery Improvement Association and the March on Washington which he conducted with Bayard Rustin. The *Daily Worker* lists Bayard Rustin as one who attended the 1957 convention of the Communist Party USA. Bayard Rustin is identified in the *Daily Worker* as secretary to Reverend Martin Luther King.

The activities of Reverend Martin Luther King represent the ultimate in "civil disobedience." It is doubtful that Reverend King could have carried on such a program without outside leadership and financing; Bayard Rustin is perhaps the leading expert on "civil disobedience" in this country.

The Southern Christian Leadership Conference is a new organization founded by Reverend King for region-wide agitation of racial violence and strife.

CHARLES GOMILLION, Dean of Students at Tuskegee Institute, was Alabama, Boycott; his agitation is in large part responsible for this. Gomillion has been most vehement in his defense of Communists and principal areas of agitation and infiltration have been among educators

TO : W. C. Sullivan

DATE: 11-24-64

FROM : F. J. Baumgardner

SUBJECT: COMMUNIST INFILTRATION OF THE
SOUTHERN CHRISTIAN LEADERSHIP CONFERENCE
INTERNAL SECURITY - COMMUNIST

SA [REDACTED] of the Liaison Section advised me today that he had been requested by [REDACTED] Security Officer, State Department, to have the FBI brief the Central Intelligence Agency (CIA) on the background of Martin Luther King. [REDACTED] also said that the FBI should request CIA to give close coverage to King's activities while King is in Europe to accept his Nobel Peace Prize. [REDACTED] further said that at the moment there are partial plans for King to make a rather extensive trip through Africa on behalf of the United States Government in early 1965. SA [REDACTED] asked me what he should advise [REDACTED] b7(c)

I feel that we should not comply with [REDACTED] request. We have already furnished some information to CIA concerning King's activities. We plan to disseminate to CIA in the immediate future a document which will give King's complete background.

We have no reason to request CIA to surveil King while he is in Europe. If State Department wants CIA to place him under surveillance, it is up to State Department to make the request of CIA. 12/1/64 [REDACTED] b7(c)

ACTION:

If you approve, we will advise [REDACTED] that it is already our policy in our liaison with CIA to furnish that Agency with information of interest to them. [REDACTED] should also be advised that the FBI does not contemplate requesting CIA to cover King's activities while he is abroad. If State Department wants King covered, State should make the request directly of CIA.

BAYARD RUSTIN

In "The Saturday Evening Post," issue of July 11 - 18, 1964, page 76, BAYARD RUSTIN is the subject of a feature article captioned "The Lone Wolf of Civil Rights." In it, RUSTIN is said to have come to New York in 1938, as an organizer for the Young Communist League (YCL), and as such, he had the job of recruiting students for the "Party." Furthermore, the article reports that during his first years in New York, RUSTIN gave most of his earnings to the "Party." He reportedly left the "Party" in 1941, the article states.

The YCL has been designated pursuant to Executive Order 10450.

THE NATIONAL LAWYERS' GUILD

The "Guide to Subversive Organizations and Publications," revised and published as of January 2, 1957, to supersede Guide published on May 14, 1951, by the Committee on Un-American Activities, U. S. House of Representatives, Washington, D. C., contains the following information concerning "The National Lawyers Guild:"

1. Cited as a Communist front.
(Special Committee on Un-American Activities, House Report 1311 on the CIO Political Action Committee, March 29, 1944, p. 149).
2. Cited as a Communist front which "is the foremost legal bulwark of the Communist Party, its front organizations and controlled unions" and which "since its inception has never failed to rally to the legal defense of the Communist Party and individual members thereof, including known espionage agents." (Committee on Un-American Activities, House Report 3123 on the National Lawyers Guild, September 21, 1950, originally released September 17, 1950.)
3. "To defend the cases of Communist lawbreakers, fronts have been devised making special appeals in behalf of civil liberties and reaching out far beyond the confines of the Communist Party itself. Among these organizations are the ***National Lawyers' Guild. When the Communist Party itself is under fire these offer a bulwark of protection."

(Internal Security Subcommittee of the Senate Judiciary Committee, Handbook For Americans, S. Doc. 117, April 23, 1956, P. 91.)

Val Coleman of CORE Headquarters called this morning and said that CORE felt it had no alternative but to issue a statement in rebuttal to Mr. Hoover's "intemperate" attack on Dr. King. Coleman said certainly he and the CORE leaders considered the FBI as a friend of theirs but he just could not understand why Mr. Hoover would lash out against a man like Dr. King, and he added that he wanted to let us know for the record that CORE felt they had to issue a strong statement. (U)

It was suggested to Coleman privately that he might want to back up and think a minute before he criticized the FBI severely, that certainly Mr. Hoover had not attacked the civil rights movement, that Mr. Hoover had on the other hand been vigorously critical of the low-type law enforcement officers in the South who actually participated in civil rights violations and who were a disgrace to the law enforcement profession. It was further pointed out to Coleman that Mr. Hoover's statement regarding King's assertion with respect to the Albany, Georgia, situation was simply a matter of calling a spade a spade, and that clearly and obviously King had lied. (U)

Coleman said he would think the matter over and then he would want to modify his original statement. He concluded his call by saying that to keep people happy at CORE he would still have to release a "pretty strong" statement. Coleman said that he hoped to be down in Washington within the next ten days or so and would like to drop by and he was assured that we (U) would be glad to talk with him at any time. 100-106670 - (U)

Refer to page 5, fourth full paragraph, which is followed by a parenthetical statement to the effect that the meeting referred to was believed to be a committee of advisors used by King. If this parenthetical statement is based on assumption or conclusion on your part, it should be deleted from the report.

Page 7, paragraph 1, sets forth information regarding the activities of "Stanley (Levison)" in connection with the Southern Christian Leadership Conference. Again if parentheses are used in connection with Levison's last name based on assumption or conclusion, the last name should be deleted from the report or this information set forth in such a way that any conclusion drawn would have to be made by the individual reading this report in its entirety. It is noted that pages 7 and 8 of referenced report contain considerable information regarding Levison's activities and, therefore, it does not appear that the data set forth in paragraph 1, page 7, is vital to the report if, in fact, this is an assumption or a conclusion regarding his identity.

Page 35, last paragraph, line 2, refers to the address of 55 Biscayne Drive N. W. Is this an Atlanta address, a Washington, D. C., address or some other city?

[REDACTED] to the effect that on 7/5/50 Lawrence Dunbar Reddick was known as a Communist Party member. This is not supported by other information in Bureau files concerning Reddick. It is believed that while the source provided the information on 7/5/50 that the actual date of Reddick's Communist Party membership was sometime prior to 1950. This should be resolved.

Page 41, last paragraph, states that Reddick was interviewed by Bureau Agents at Atlanta on 2/5 and 11/64. A review of Bureau files did not uncover any information regarding this interview. Are these dates correct? If so, furnish complete details regarding the circumstances surrounding this interview.

Resolve the above points promptly and submit necessary amended pages so that dissemination of referenced report can be made.

At 3:50 p. m. today SAC Frohbose of the Miami Office telephoned and talked with Mr. Wick. He said Mr. Katzenbach had just finished a press conference in the United States Attorney's Office in the Federal Building in Miami. Mr. Katzenbach is in Florida to speak before the University of Miami Law School alumni tomorrow.

At the conference, said Frohbose, were several Federal Judges, other Federal officials and, of course, TV, radio, wire service and local press representatives.

At the press conference Mr. Katzenbach was asked if he thought J. Edgar Hoover should retire after making remarks concerning King. Mr. Katzenbach answered by stating Mr. Hoover should not retire, that he has complete confidence in Mr. Hoover and he is one of the great Americans and a devoted public servant. Katzenbach said that he hoped and prayed that Mr. Hoover would stay on.

The press asked what Mr. Katzenbach thought of Mr. Hoover's statement calling King a notorious liar. Katzenbach said he would not add nor detract from Mr. Hoover's statement and he would not comment on it further.

Mr. Katzenbach was asked if Martin Luther King's statement that the FBI is not investigating civil rights matters in the South is true. Mr. Katzenbach said King's statement is not true. He said the FBI has solved many cases and is investigating cases and will continue to investigate civil rights cases wherever they may be. He said the FBI as well as Katzenbach do not want cases to go unsolved.

SUBJECT : MARTIN LUTHER KING, JR.
SECURITY MATTER - COMMUNIST

DECLASSIFIED BY 1SP3

At 1 p.m., 11/19/64, SAC Honey of our New York Office called to furnish information concerning a proposed reply King will make to the Director's statement concerning him which appeared in the 11/19/64 issue of the "Washington Post."

We learned from [redacted] the following conversation which took place today between Harry Wachtel and Bayard Rustin, advisors to King. Wachtel said he had drafted something he felt King (Dr. Martin Luther King, Jr.) should release. Rustin asked Wachtel if he thought King should make a statement and Wachtel said he should. There is set forth as follows the text of the proposed statement as drawn up by Wachtel.

"I have not seen the exact text of J. Edgar Hoover's press interview in which, among other things, he attacked the Warren Commission report and questioned my integrity. No amount of name-calling or slanders can serve as a smoke screen to hide the signal failure of the FBI to adequately perform its duties whether they relate to the events leading up to the assassination of President Kennedy, protection of Negroes against violence in the South or in the control of the Klu Klux Klan and other extreme rights groups. While I resent the personal attack on my integrity I will not allow Mr. Hoover to blur the real issue, namely, that during a reign of terror and violence in many southern communities, the Negro people received neither aid nor comfort from the FBI. Also immaterial is the place of birth of Federal FBI Agents. What really matters is that the Negroes in southern communities have learned from bitter experience that the FBI did not act in these communities to protect them against brutality and violence. Just as no amount of snide comment can overcome the criticism by the Warren Commission of the FBI's role in the tragic events of last November, neither can Mr. Hoover's outburst erase the dismal record of the FBI in the South on brutality, bombings, murder and church bombings. The distemper of Mr. Hoover does, however, establish one thing."

Memorandum to W. C. Sullivan
From F. J. Baumgardner
RE: MARTIN LUTHER KING, JR.
100-106670

"clearly to the American people and that is that he has outlived his usefulness as the head of the FBI or as a public servant. I am confident that this public display of distemper will not go unnoticed by the President." X

Rustin then replied to Wachtel that he liked the statement with two exceptions. One is that Wachtel should drop the part about King being resentful because King is not resentful. Rustin said that the second thing he was against was the conclusion. Rustin said King does not want to inject himself or allow himself to be injected by this incident into something involving the President. Wachtel then asked Rustin if he was against both parts of the last statement, namely, the part about Hoover having outlived his usefulness and the part about the President noticing the distemper. Rustin said he was in favor of taking both parts out. He said that instead they could say "The question which now confronts us is whether a person of such intemperance can any longer serve as a public servant." Rustin said it is better to have this in the form of a question because it is strong and also because King is not a person who says this person has to go, etc. Wachtel said he agreed with the changes and said to Rustin that he had written the statement in anger. Wachtel said he would call Dora McDonald, King's secretary, in Atlanta to let King know that we will be together from 2 to 3 p.m. today and that he, King, should avoid the press until he speaks to us. Rustin said all King should say is that he will have a statement later on. (X)

OBSERVATION:

As you know, Bayard Rustin has publicly admitted having been associated with the communist movement in the past. Harry Wachtel is not known to have been a Communist Party member; however, there are indications he may also have been associated with the communist movement in the 1940's and we presently are conducting investigation to determine this. RE: MARTIN LUTHER KING, JR.

~~CONFIDENTIAL~~

The significant thing involved here is not that these individuals have jumped quickly to King's defense, but rather that they are seizing the opportunity, in line with a long-held communist objective, to launch a campaign to oust the Director as head of the FBI. (U)

The important thing at this point is to follow this matter closely to determine the degree to which King follows their advice in regard to issuing the statement prepared by Wachtel for we will then have further evidence of the extent to which King is being used by communist sympathizers in support of communist objectives. (U)

For the time being, we should hold dissemination of the information in abeyance until we see which way King moves. Then we can put the whole picture together and make appropriate dissemination. (U)

ACTION:

I told SAC Roney to call our Atlanta Office and advise them of this development. I told him to instruct the Atlanta Office to be alert to any additional information which may be developed through their sources and to keep the Bureau advised expeditiously. (U)

On November 12, 1964, a source who has furnished reliable information in the past, and is familiar with the activities of MARTIN LUTHER KING, advised as follows:

MARTIN LUTHER KING of Atlanta, Georgia, is presently in Birmingham, Alabama, and is expected to return to Atlanta, Georgia, by November 15, 1964, where he will hold church services prior to flying to Miami.

KING is scheduled to arrive in Miami on the evening of November 15, 1964, and has room reservations at the International Hotel, Miami International Airport, for one day. KING is scheduled to leave Miami on Mackey Airlines for Bimini, where it is anticipated he will remain for one week. During his stay in Bimini, KING will be working on his acceptance speech for the Nobel Peace Prize.

The source advised that HENRY H. ARRINGTON, Miami Attorney, is expected to visit KING while in Bimini and plans are under way to hold a couple of small parties for KING.

The source advised that KING's visit to Miami and Bimini is for rest and relaxation and has nothing to do with any proposed civil rights or racial matters.

The source further advised that the reservation at the International Hotel, Miami, will be in the name of HENRY ARRINGTON, and that KING will probably register under an assumed name in Bimini.

Two copies of this memorandum are being furnished to the local U. S. Secret Service, Miami, and one copy is being furnished the Field Office, Region VII, 111th INTC Group.
